

Бейрфут Адвенчерс Barefoot Adventures Inc.

Cancellation Policy

All adventures must be paid in full at time of final booking. Our adventures are not canceled for fog, rain or a chilly day. We will cancel if the conditions are not suitable for paddling (lightning, strong winds, or extreme weather). Cancellations made at least 7 days prior to the trip will receive a full refund. Participants cancelling with 48 hours notice or more will be able to transfer payment to a future trip or program. Sorry, cancellations made with less than 48 hours notice will receive no refund. No shows will also forfeit the entire fee. If Barefoot Adventures cancels due to emergency, extreme weather, or lack of enrollment you may reschedule or receive a full refund. In the event of cancellation we will make every attempt to contact you in a timely fashion. Please provide us with accurate contact information so we can communicate efficiently.
